You may ask, what is the difference between Casino Party USA and any other casino themed party company? EXPERIENCE, RELIABILITY, AND PROFESSIONALISM!!!

EXPERIENCE

You want a company that has planned and staged THOUSANDS of these types of events and not some individual with a broken down truck and a couple of gaming tables that he purchased last month on Ebay. We don't "Fake" our references and experience in this industry to get business. You want a casino company that can provide you with expert advice on how to run your event. They should be able to provide you with professional, friendly dealers, and authentic casino grade equipment.

RELIABILITY

Have you ever hosted an event and the company you contracted arrives late, doesn't have the proper equipment (or enough equipment) or doesn't show up at all? This can be disastrous to your group or organization's credibility. At Casino Party USA we treat every client like a VIP because you are! Our personalized service, to each and every one of our clients, is unequalled. Casino Party USA will take the stress out of planning your casino themed party.

Our set up crew will arrive on time and set up the equipment in a timely and orderly fashion to your exact specifications.

Our staffers will arrive dressed professionally, and be well groomed.

At the end of your event, our staff will remove all equipment the same day.

PROFESSIONALISM

Well trained, knowledgeable, friendly dealers, experienced casino party host, quality casino grade equipment. We'll also do a pre-party site visit and work with the venue to coordinate smooth delivery and set up of our equipment so you can concentrate on having fun.

From your very first phone conversation to the end of your event our personnel will display the utmost courtesy and professionalism unequalled by any other casino party company. The personal touch, attention to detail and years of experience have earned Casino Party USA a reputation as the premier casino themed party provider in Colorado and one of the most experienced companies
